Sir:

It is requested that the United States Patent Office permit Michael J. Belanger to make application for a reissue patent with respect to U.S. Patent 6,372,053 which issued on April 16, 2002. The Declaration in the original patent was executed by Michael J. Belanger and Robert J. Wentworth and the patent was assigned by both inventors to Belanger, Inc., a corporation of the State of Michigan, by an Assignment document dated September 19, 2002. There is now a need for a reissue application and Mr. Wentworth has refused to sign the necessary papers. On or about July 2003, Mr. Wentworth left the employ of Belanger, Inc.

Our unsuccessful attempts to secure Mr. Wentworth's signature on the Declaration for the reissue application are summarized in the accompanying Declaration of Pamela A. Alleman.

The last known address of Mr. Wentworth is:
